So that you understand what you are covered for, please read this policy, the **Policy Schedule** (which may make reference to **endorsements**) and the **Certificate of Motor Insurance** very carefully. You should pay special attention to the General Exceptions and General Conditions of this policy.

The words or phrases shown under the Definitions section of this policy document commencing on page 6 have the same meaning whenever they appear in this policy document or in the **Certificate of Motor Insurance, policy schedule** or **endorsements**.

So that you can easily identify these words and phrases they are shown in bold print throughout this policy document.

If you have any questions, or the cover does not meet your needs or any of the details are incorrect you should notify us immediately via your **insurance intermediary**.

## Guidance notes

There are useful guidance notes shown in shaded boxes throughout the policy document. The guidance notes do not form part of the insurance contract but are there to help you understand it. You should always read the guidance notes in conjunction with the whole of the policy document.

# What to do in the Event of an Accident

**Regardless of blame it is important that you take the following action:**

**Stop:** Stop as soon as possible, in a safe place (if you have a warning triangle, place it well before the obstruction). If anybody has been injured, call the police and ambulance service.

**Sketch:** Make a quick sketch of the direction and final position of each vehicle (it is worth keeping a pen and paper in your vehicle).

**Note down:** You will need to make a note of:

- The vehicle registration number, name, address and telephone number of any other drivers involved in the accident.
- The number of passengers in each vehicle.
- The name and address of anyone who is injured (or suggesting they have been injured).
- The name, address and telephone number of any witnesses to the accident.
- The name, telephone number and constabulary of any police officer who attends the accident.

**Take a photo:** If you are able to do so, try and take photographs to support the positions of the vehicles and the extent of damage.

**Provide:** You must give your own details to anyone who has reasonable grounds for requesting them.

**DO NOT:** Do not admit responsibility, either verbally or in writing. Instead, simply supply your details along with your policy number to the other driver(s)/person(s) involved in the accident and ask him/her to call the claims advisors on **0344 873 8183**. By passing these details to the other person(s) involved in the accident you will give him/her the opportunity of obtaining assistance in progressing repairs and assisting with the provision of a courtesy vehicle if the circumstances of the accident warrant this.

If for any reason you have not been able to exchange details with other drivers or owners of property or you were in collision with an animal, you must report the accident to the police as soon as possible, and certainly within 24 hours of the accident.

## Making contact following an incident.

### 0344 873 8183

Please call within 24 hours of the accident, but **ideally within 1 hour**. This is regardless of whether **you** wish to make a claim under the policy or not. **Delay in notification of an incident may invalidate your right to claim.**

Please quote **your** policy number and give all relevant information about the incident. If **your** claim is due to theft, attempted theft or vandalism **you** must also inform the police and obtain a crime reference number.

Your claim and claims made against you, will be dealt with as quickly and fairly as possible. Please read the General Conditions in this policy booklet.

For our joint protection telephone calls may be recorded and monitored by us.

It is important that you notify your insurance intermediary immediately of any changes such as those examples given under Notification of changes.

If you fail to supply details of changes or the information supplied by you is not complete or accurate then:

- we may cancel your policy and refuse to pay any claim, or

- the extent of the cover may be affected.

# Section A - Loss of or Damage to the Insured Vehicle

This section only applies if the cover shown on **your Policy Schedule** is Comprehensive.

## What is covered

**We** will cover **you** against loss or damage to the **insured vehicle** (less any **excess** that applies) caused accidentally or as a result of malicious damage or vandalism. Loss or damage more specifically covered under Section B of this policy is excluded under this section of the policy. **We** will also cover **you** for damage to sunroofs, **panoramic roofs**, lights/reflectors, folding rear windscreen assemblies or any permanently fitted accessories including glass contained within hard tops, under this section.

Loss of or damage to **your insured vehicle's** spare parts and accessories are also covered as long as they are kept in or permanently on **your insured vehicle** or in **your** own private garage and fall within the maximum amount **we** will pay.

If the **insured vehicle** is fitted with Advanced Driver Assistance Systems (ADAS) **we** will pay for the recalibration of cameras or sensors fitted to the **insured vehicle** to operate these systems, if required, following an insured incident under this section.

Cover also applies under this section while the **insured vehicle** is in the custody of a member of the motor trade for servicing or repair.

### Under this section we may either:

- pay for the damage to the **insured vehicle** to be repaired; or
- with **your** agreement provide a replacement vehicle; or
- pay an amount of cash equivalent to the loss or damage.

The most **we** will pay will be either:

- the **market value** of the **insured vehicle** immediately before the loss; or
- the cost of repairing the **insured vehicle**, whichever is the lower amount.
- the **written down value**, **agreed value** or **market value**, whichever is lower, if **your insured vehicle** is under a lease agreement.

If the **insured vehicle** is subject to a hire purchase agreement, **we** will pay any money

owed to that company first and then pay any remaining money to **you**. If **you** have acquired the **insured vehicle** through lease or contract hire, **we** will pay the lease or contract hire company either the **market value** or **written down value** of the **insured vehicle**, or the amount required to settle the agreement, whichever is less.

**We** will not pay more than the **market value**, **written down value** or agreed value of the **insured vehicle** at the time of the loss less the total of the **excesses** shown in the **policy schedule**. **We** will also pay the costs for the protection, removal and storage of the **insured vehicle** following an accident and delivery after repair to **your** address.

**We** are not liable for any amount **you** are contractually obliged to pay under any lease or finance agreement, **you** have entered into, over and above the cost of replacing **your vehicle**.

If the **insured vehicle** is deemed to be beyond economical repair or settlement is agreed under the 'New vehicle cover' sub-section the damaged vehicle becomes **our** property once a claim is met under the policy. **You** must send us the vehicle registration document and valid MOT certificate if one is required by law before **we** are able to meet the claim.

## In-vehicle entertainment, communication and navigation equipment

**We** will cover the cost of replacing or repairing the **insured vehicle's entertainment, communication and navigation equipment** up to the following amounts less the **excess** as shown on the **policy schedule**:

- Unlimited for equipment fitted as original equipment by the manufacturer; or
- £500 for the **insured vehicle's entertainment, communication and navigation equipment** not fitted by the manufacturer, provided it is permanently fitted to the **insured vehicle**.

Any amount payable in respect of **in-vehicle entertainment, communication and navigation equipment** will not exceed the value of the equipment at the time of the loss or damage after making a reasonable deduction for wear and tear.

# Section A - Loss of or Damage to the Insured Vehicle (continued)

## New vehicle cover

We may replace the **insured vehicle** with one of the same make, model and specification if;

- The loss or damage happens within twelve months from the date the **insured vehicle** was first registered; and
- **You** or **your partner** are the first and only registered keeper of the vehicle (or the second registered keeper if the first registered keeper is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); or
- The vehicle is owned by a Lease Company who are the first and only registered keeper of the vehicle and they are in agreement that a replacement vehicle can be supplied; and
- The cost of repair is valued at more than 60% of the cost of buying an identical new vehicle at the time of the loss or damage (based on the United Kingdom list price); and
- The vehicle has covered less than 10,000 miles; and
- The vehicle was supplied as new from within the **geographical limits**.

In these circumstances **we**, if asked by **you**, may replace the **insured vehicle** (and pay delivery charges) with a new vehicle of the same make, model and specification. **We** can only do this if a replacement vehicle is available in the **geographical limits** and anyone else who has an interest in the vehicle agrees.

If a replacement vehicle of the same make, model and specification is not available, **we** may, where possible, provide a similar vehicle of identical list price. If this is not acceptable to **you** **we** will not pay more than the **market value** or **written down value** of the **insured vehicle** at the time of the loss.

Once a settlement has been agreed in accordance with this new vehicle cover, the damaged vehicle becomes **our** property.

If the **insured vehicle** is the subject of a Hire Purchase or Lease Agreement **we** will only agree settlement on the basis of this new vehicle cover if **we** have the agreement of the

Hire Purchase or Lease Company as owner of the **insured vehicle**.

## Repairs

Contact the Claims Helpline as soon as possible if **your insured vehicle** is damaged as a result of an incident covered by this policy. Claims advisers are there to assist **you** and will guide **you** through the repair process.

If parts required for repairing the **insured vehicle** are not available in any country within the **geographical limits** our liability for those parts shall not exceed the manufacturers' last United Kingdom list price or if not listed the price of those parts for the nearest comparable vehicle available in the United Kingdom.

**We** will not pay the cost of importing parts that are not available in any country within the **geographical limits**.

**We** may at **our** option use parts that have not been supplied by the original manufacturer to repair the **insured vehicle**. These parts will be subject to the **part manufacturer's** guarantee.

**We** will not pay the cost of any repair or replacement which improves the **insured vehicle** to a better condition than it was in before the loss or damage. If this does happen **you** must make a contribution towards the cost of repair or replacement. **You** may be required to contribute to the cost of replaced items such as exhausts or tyres.

### Guidance Notes – Finance or Lease agreement

If your insured vehicle is the subject of a finance or lease agreement and your vehicle is deemed to be damaged beyond economic repair due to a covered loss under the policy the market value or written down value placed on your insured vehicle may not be sufficient to satisfy that agreement.

This policy does not cover any amount you are contractually obliged to pay under any lease or finance agreement, you have entered into, over and above the cost of replacing your vehicle.

We would recommend that you discuss any concerns that you may have with your insurance intermediary who may be able to supply you with details of products available to cover any shortfall.

The young and inexperienced driver **excess** applicable at the time of loss or damage is determined by the age or driving experience of the person driving/in charge of the **insured vehicle** at the inception date or last renewal date of the policy whichever is the later. The amounts shown are in addition to any other **excesses** shown elsewhere in this **policy document** or on **your Policy Schedule** or in any **endorsement**.

### Young and Inexperienced Driver Excesses

**You** will be responsible for paying the following amounts while the **insured vehicle** is being driven by, is in the charge of or was last in the charge of the categories of driver listed below:

Age or experience of person driving, in charge of or last in charge of the insured vehicle	Amount of Excess
Aged 20 years and under	£300
Aged 21 to 24 years inclusive	£200
Aged 25 years and over but: <ul style="list-style-type: none"> <li>• Who holds a provisional driving licence; or</li> <li>• who holds an international driving licence; or</li> <li>• has held a full driving licence to drive a private motor car issued either in a country contained within the geographical limits or a member country of the European Union but for less than one year.</li> </ul>	£150

# Section A - Loss of or Damage to the Insured Vehicle (continued)

## Protection and Recovery

If the **insured vehicle** cannot be driven following an incident leading to a valid claim under this section, **we** will pay:

- the cost of its protection and removal to the nearest competent repairer or nearest place of safety; and
- the cost of re-delivery after repairs to **your** home address; and
- the cost of storage of the **insured vehicle** incurred with **our** written consent.

If the **insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing. **You** should remove **your personal belongings** from the **insured vehicle** before it is collected from **you**.

In the event of a claim being made under the policy **we** have the right to remove the **insured vehicle** to an alternative repairer, place of safety or make **our** own arrangements for re-delivery at any time in order to keep the cost of the claim to a minimum.

## Guidance Notes – Flood Advice

- If possible move your Motorhome to a safer place out of the reach of floodwater before the flood strikes (e.g. to higher ground).
- Do not attempt to drive your Motorhome through floodwater as it is inevitable that this will damage your engine particularly if your Motorhome has a diesel engine or turbo charger.
- If your Motorhome is submerged do not try to start the engine. If possible get your Motorhome pushed or towed out of the water and allow it to dry out. You may be lucky and the water may not have penetrated sufficiently to ruin the engine.
- Repairs to the insured vehicle resulting from flood damage are covered if your policy cover is comprehensive but claims will be subject to the policy excesses. A comprehensive policy will also pay for towing as well as damage to upholstery, carpets and stereo systems resulting from flooding but only up to the limits shown within this document.

## Section B - Loss of or Damage to the Insured Vehicle by Fire or Theft

This section only applies if the cover shown on **your Policy Schedule** is either Comprehensive or Third Party Fire and Theft.

### What is covered

**We** will cover **you** against loss of or damage to the **insured vehicle** (less any **excess** that applies) caused by fire, lightning, explosion, theft or attempted theft.

If the **insured vehicle** is fitted with Advanced Driver Assistance Systems (ADAS) **we** will pay for the recalibration of cameras or sensors fitted to the **insured vehicle** to operate these systems, if required, following an insured incident under this section.

Cover also applies under this section while the **insured vehicle** is in the custody of a member of the motor trade for servicing or repair.

### Under this section we may either:

- pay for the damage to the **insured vehicle** to be repaired; or
- with **your** agreement provide a replacement vehicle; or
- pay an amount of cash equivalent to the loss or damage.

### The most we will pay will be either:

- the **market value** of the **insured vehicle** immediately before the loss; or
- the cost of repairing the **insured vehicle**, whichever is the lower amount.
- the **written down value, agreed value or market value**, whichever is lower, if **your insured vehicle** is under a lease agreement.

If the **insured vehicle** is subject to a hire purchase agreement, **we** will pay any money owed to that company first and then pay any remaining money to **you**. If **you** have acquired the **insured vehicle** through lease or contract hire, **we** will pay the lease or contract hire company either the **market value** or **written down value** of the **insured vehicle**, or the amount required to settle the agreement, whichever is less.

**We** will not pay more than the **market value** or **agreed value** of the **insured vehicle** at the time of the loss less the total of the **excesses** shown in the **policy schedule**.

**We** will also pay the costs for the protection, removal and storage of the **insured vehicle** following a covered loss and delivery after repair to **your** address.

**We** are not liable for any amount **you** are contractually obliged to pay under any lease or finance agreement, **you** have entered into, over and above the cost of replacing **your** vehicle.

If the **insured vehicle** was not first registered from new in any country within the **geographical limits** **we** will not pay more than the purchase price paid by **you** at the time that **you** purchased the **insured vehicle**.

### If the **insured vehicle**:

- is stolen and has not been recovered at the time of settlement; or
- is deemed to be beyond economical repair, as a result of loss covered under this section of the policy, the lost or damaged vehicle becomes our property once a claim is met under the policy.

**You** must send **us** the vehicle registration document and valid MOT certificate (if one is required by law) before **we** are able to meet the claim.

### In-vehicle entertainment, communication and navigation equipment

**We** will cover the cost of replacing or repairing the **insured vehicle's** **entertainment, communication and navigation equipment** up to the following amounts less the **excess** as shown on the **policy schedule**:

- Unlimited for equipment fitted as original equipment by the manufacturer; or
- £500 for the **insured vehicle's** **in-vehicle entertainment, communication and navigation equipment** not fitted by the manufacturer, provided it is permanently fitted to the **insured vehicle**.

## Section B - Loss of or Damage to the Insured Vehicle by Fire or Theft (continued)

Any amount payable in respect of **in-vehicle entertainment, communication and navigation equipment** will not exceed the value of the equipment at the time of the loss or damage after making a deduction for wear and tear.

### New vehicle cover

**We** may replace the **insured vehicle** with one of the same make, model and specification if;

- The loss or damage happens within twelve months from the date the **insured vehicle** was first registered; and
- **You** or **your partner** are the first and only registered keeper of the vehicle (or the second registered keeper if the first registered keeper is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); or
- The vehicle is owned by a Lease Company who are the first and only registered keeper of the vehicle and they are in agreement that a replacement vehicle can be supplied; and
- The cost of repair is valued at more than 60% of the cost of buying an identical new vehicle at the time of the loss or damage (based on the United Kingdom list price); and
- The **insured vehicle** has covered less than 10,000 miles; and
- The vehicle was supplied as new from within the **geographical limits**.

In these circumstances **we**, if asked by **you**, may replace the **insured vehicle** (and pay delivery charges) with a new vehicle of the same make, model and specification. **We** can only do this if a replacement vehicle is available in the **geographical limits** and anyone else who has an interest in the vehicle agrees.

If a replacement vehicle of the same make, model and specification is not available, **we** may, where possible, provide a similar vehicle of identical list price. If this is not acceptable to **you** **we** will not pay more than the **market value** or **written down value** of the **insured vehicle** at the time of the loss.

Once a settlement has been agreed in accordance with this new vehicle cover, the lost or damaged vehicle becomes **our** property.

If the **insured vehicle** is the subject of a Hire Purchase or Lease Agreement **we** will only agree settlement on the basis of this new vehicle cover if **we** have the agreement of the Hire Purchase or Lease Company as owner of the **insured vehicle**.

### Repairs

Contact the Claims Helpline as soon as possible if **your insured vehicle** is damaged as a result of an incident covered by this policy. Claims advisers are there to assist **you** and will guide **you** through the repair process.

If parts required for repairing the **insured vehicle** are not available in any country contained within the **geographical limits** our liability for those parts shall not exceed the manufacturers' last United Kingdom list price or if not listed the price of those parts for the nearest comparable vehicle available in any country contained within the **geographical limits**. **We** will not pay the cost of importing parts that are not available in any country contained within the **geographical limits**.

**We** may at **our** option use parts that have not been supplied by the original manufacturer to repair the **insured vehicle**. These parts will be subject to any part manufacturer's guarantee.

**We** will not pay the cost of any repair or replacement which improves the **insured vehicle** to a better condition than it was in before the loss or damage. If this does happen **you** must make a contribution towards the cost of repair or replacement. **You** may be required to contribute to the cost of replaced items such as exhausts or tyres.

## Protection and Recovery

If the **insured vehicle** cannot be driven following an incident leading to a valid claim under this section, **we** will pay:

- the cost of its protection and removal to the nearest **approved repairer**, competent repairer or nearest place of safety; and
- the cost of re-delivery after repairs to **your** home address; and
- the cost of storage of the **insured vehicle** incurred with **our** written consent.

If the **insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing.

**You** should remove your **personal belongings** from the **insured vehicle** before it is collected from **you**.

In the event of a claim being made under the policy, **we** have the right to remove the **insured vehicle** to an alternative repairer, place of safety or make **our** own arrangements for re-delivery at any time in order to keep the cost of the claim to a minimum.

## Guidance Notes - Preventing Crime

- Don't give criminals an easy ride. Vehicle crime makes up 20% of all recorded crimes in the UK.
- Most thefts can be prevented - and it's in your interest and ours to take some simple precautions. Most things are common sense.
- Lock your vehicle and remove your ignition key/locking device when leaving it for even a short time e.g. at a petrol station or cashpoint machine.
- Vehicle thieves often steal the keys first especially if the vehicle has an immobiliser and break into houses just to access keys to steal the vehicle. Always keep keys secure even inside your home (do not leave keys where a burglar can easily find them).
- Keys and locking devices should always be kept in a safe and secure place - do not leave them on a wall hook, windowsill or in a jacket pocket close to the vehicle.
- Take appropriate measures to safeguard the vehicle when showing it to prospective purchasers.
- Do not keep items such as the vehicle registration document, service book, MOT certificate or certificate of insurance in the vehicle and never leave any valuables on view in the vehicle. You should remove items such as CD players, Radios/MP3 players and portable satellite navigation equipment whenever possible.
- Use good-quality locks and security devices.
- Park in a secure place if you can. If you have a garage, use it and lock it.

## Section J - Foreign Use of the Insured Vehicle

### What is covered

**We** will provide the cover shown on **your policy schedule** for up to 180 days in any **period of insurance** while **you** are using the **insured vehicle** within the countries referred to below.

Outside of the 180 day cover shown above **we** will provide **you** with the minimum cover required by law while **you** or any driver covered by this policy are using the **insured vehicle** within the European Union and any other country which has agreed to follow the EU Directive on Insurance of Civil Liabilities arising from the use of motor vehicles (number 2009/103/EC).

**You** do not need an International Motor Insurance Card (Green Card) for visits to these countries as the legal evidence of this cover is shown on **your Certificate of Motor Insurance**. Further information on the countries that follow the EU Directive can be found by visiting [www.mib.org.uk](http://www.mib.org.uk)

The provision of the cover shown on **your policy schedule** whilst you are abroad is only agreed on the understanding that:

- The **insured vehicle** is taxed and registered within the **geographical limits**; and
- Your main permanent home is within the **geographical limits**; and
- Your visit abroad is only temporary; and
- You tell your **insurance intermediary** before you leave; and
- You pay any additional premium **we** ask for.

**We** may agree to extend the cover for more than 180 days as long as **you**:

- Tell your **insurance intermediary** before you leave
- Pay any additional premium due.

If **we** agree to **your** request we may issue **you** with an International Motor Insurance Card (Green Card) as legal evidence of this cover.

The insurer will also pay customs duty if the **insured vehicle** suffers loss or damage and **we** decide not to return it after a valid claim on the policy.

Cover also applies while the **insured vehicle** is being carried between sea or air ports or railway stations within these countries, as long as this travel is by a recognised sea, air or rail route.

## Section J - Foreign Use of the Insured Vehicle (continued)

29

SECTION J

### Guidance Notes - Going Abroad

The policy does not automatically provide full cover abroad so, before travelling, please contact your insurance intermediary to arrange cover. The extended full insurance will then cover you in the countries for which we have agreed to provide cover and when your vehicle is travelling by rail or sea between those countries.

Unless you notify your insurance intermediary in advance of a trip abroad, the cover may be limited to the minimum cover you need under the law of the relevant country (EU minimum insurance). This minimum insurance will not provide any cover for damage to or theft of your insured vehicle.

Take your certificate as evidence of insurance when you travel abroad.

If your insured vehicle suffers any loss or damage that is covered by this insurance

and the insured vehicle is in a country where you have cover, we will refund any customs duty you pay to temporarily import your insured vehicle.

Although full policy cover abroad is available for up to 180 days in any one annual period of insurance we may, on request, agree to extend cover. A charge may apply. Please contact your intermediary for further information.

We will only consider extending this insurance to countries which are covered by the International Green Card system.

If you are involved in any accident or incident whilst abroad please call the 24 hour Claims Helpline using the international dialling code for the UK: 0044 344 873 8183.

# Section K - No Claim Bonus

If **you** do make a claim during the **period of insurance** **your** no claim bonus will be reduced at the next renewal date in accordance with the scale shown below.

The following will not affect **your** no claims bonus:

- Payments made under Section H - Glass damage.
- A successful claim made under Section M - Uninsured driver and vandalism promise
- If **we** only have to pay for an emergency treatment fee.
- If **we** make a full recovery of all payments made by **us** in connection with a claim made against the policy.

If **you** make a claim or if a claim is made against **you** for an event which **you** may not consider to be **your** fault and **we** have to make a payment this will affect **your** No Claim Bonus unless **we** can recover **our** outlay in full from the responsible party.

If **you** decide to cancel **your** policy and premiums remain outstanding **we** will not be able to issue proof of No Claim Bonus until the outstanding premiums are paid.

**You** cannot transfer **your** No Claim Discount to somebody else.

## Guidance Notes – No Claim Bonus

There may on occasions be incidents (possibly involving a cyclist or pedestrian) where, although you are not claiming for damage to your vehicle, there is a potential for a claim against your policy by the third party.

In these circumstances we may disallow your No Claim Bonus for up to twelve months until we are confident that a third party claim is unlikely to materialise.

## Section L - Protected No Claim Bonus

Depending on certain qualifying conditions **you** may be able to protect your no-claim bonus if you pay an extra premium. **Your** no-claim bonus is only protected if this is shown on **your** schedule.

If **your** no-claim bonus is protected we will not reduce it if **you** do not make more than two claims during any three years of insurance. If three or more claims are made during any three-year period, we will reduce the bonus **you** receive.

It does not mean that **your** premium will not be increased if, for example, **your** accident or conviction record justifies this.

## Section M - Uninsured Driver and Vandalism promise

This section applies only if the cover shown on **your policy schedule** is Comprehensive.

### Uninsured driver promise

If the **insured vehicle** is involved in an accident that was not **your** fault or that of the driver of the **insured vehicle** and caused by an uninsured motorist **we** will refund the cost of **your excess** and restore **your** No Claim Bonus.

**We** will need:

- The vehicle registration and the make/model of the third party vehicle
- The responsible driver's details, if possible.

It also helps **us** to confirm who is at fault if **you** can get the names and addresses of any independent witnesses, if available. When **you** claim, **you** may have to pay **your excess**. Also, if when **your** renewal is due, investigations are still ongoing, **you** may lose **your** No Claim Bonus temporarily. However, once **we** confirm that the accident was the fault of the uninsured driver, **we** will repay **your excess**, restore **your** No Claim Bonus and refund any extra premium **you** have paid.

### Vandalism promise

This section applies only if the cover shown on **your policy schedule** is Comprehensive.

If **you** make a claim for damage to **your insured vehicle** that is a result of vandalism, which is damage caused by a malicious and deliberate act, **you** will not lose **your** No Claim Bonus.

### Conditions

- **You** pay any Accidental Damage **excess** that is applicable. Please refer to **your policy schedule** for **excess** amounts
- The incident is reported to the police and assigned a crime reference number
- The damage has not been caused by another vehicle.

When **you** claim **you** will have to pay the **excess**. Once **we** receive **your** claim, **you** may lose **your** No Claim Bonus, until **we** are supplied with a relevant crime reference number.

## 2. Overseas use

**We** will not make any payments for any liability, loss or damage that occurs outside of the **geographical limits** of this policy unless extended under the terms of Section J - Foreign Use (apart from the minimum cover required by law).

Additionally **we** will not make any payments in respect of any proceedings brought against **you** or judgement passed in any court outside of the **geographical limits**, unless the proceedings or judgement arise out of the **insured vehicle** being used in a foreign country which **we** have agreed to extend this insurance to cover and the proceedings or judgement are brought in such country.

## 3. Contractual liability

**We** will not cover any liability you have accepted under an agreement or contract unless **you** would have had that liability anyway.

## 4. Radioactivity

**We** will not cover any legal liability of whatsoever nature directly or indirectly caused by or contributed to or arising from:

- ionising radiations or contamination by radioactivity from any irradiated nuclear fuel or from any nuclear waste from the combustion of nuclear fuel; or
- the radioactive toxic explosive or other hazardous properties of any explosive nuclear assembly or nuclear component.

## 6. Earthquake, riot and civil commotion

**We** will not pay for death, bodily injury, loss, damage and/or liability arising during (unless **you** prove that it was not occasioned thereby) or in consequence of:

## 9. Terrorism

**We** will not cover any liability, loss or damage caused by acts of **terrorism** apart from the minimum level of cover **we** must provide by law.

# General Conditions

These General Conditions apply to the whole of the insurance policy.

## 1. Payment of Premium, Keeping to the Policy Terms & Avoiding Misrepresentation

**We** will only provide the cover described in this insurance policy if:

- **you** have paid or agreed to pay the premium for the current **period of insurance**, and
- **you** or any person claiming protection has kept to all of the terms and conditions of this policy (including those applied by **Endorsement**) as far as they can apply, and
- in entering into this contract **you** have taken all reasonable care in answering all questions in relation to this insurance honestly and to the best of **your** knowledge.

**Your** premium is based on information **you** supplied at the start of the insurance, subsequent alteration or renewal. **You** must tell us via your **insurance intermediary** immediately of any change to that information, some examples are any changes to the **insured vehicle** which improve its value, attractiveness to thieves, performance or handling, any change of vehicle, change of occupation (including part-time), change of address (including where vehicle is kept), change of drivers, if **you** or any drivers pass **your** driving test or sustain a motoring or non-motoring conviction or there is a change of main driver.

If **your** premium has been calculated on a limited annual mileage basis **we** will seek evidence at the time of a claim to prove that **your** estimated annual mileage has not been exceeded. If **you** fail to supply appropriate evidence or evidence is provided by **you** which shows that the estimated annual mileage has been exceeded **you** will be required to pay the additional amount of **excess** shown on the **endorsement** applying to **your** policy.

Under the Consumer Insurance (Disclosure and Representations) Act 2012 **your** failure to take reasonable care to avoid misrepresentation in relation to the information provided could result in **your** policy being cancelled or **your** claim being rejected or not fully paid.

## 2. Looking after your vehicle

**You** or any permitted drivers are required to maintain the **insured vehicle** in a roadworthy condition. **You** or any person in charge of the **insured vehicle** are required to take all reasonable care to safeguard it and its contents from loss or damage, for example the vehicle should not be left unlocked.

**We** shall at all times be allowed free access to examine the **insured vehicle**.

## 3. Having an MOT certificate

There must be a valid Department for Transport test certificate (MOT) in force for the **insured vehicle** if one is needed by law. In the absence of a valid Department for Transport test certificate (MOT) all cover under sections A and B of this insurance is cancelled and of no effect.

## 4. Accidents or losses

In the event of an accident or incident likely to give rise to a claim which is covered under the policy, **you** must as soon as possible telephone the 24 hour Claims Helpline (this must be within 24 hours of the incident occurring). Please also refer to Page 4 of this policy booklet 'What to do in the Event of an Accident' for further guidance.

If the loss or damage is covered under the policy, the Claims Helpline operator will make arrangements to remove the **insured vehicle** to the nearest competent repairer or place of safety, and safeguard the **insured vehicle** and its contents.

**We** will not pay for further damage to the **insured vehicle** if **you** drive it or attempt to drive it in a damaged condition.

**If your claim is due to theft, attempted theft, malicious damage or vandalism, you must also notify the police within 24 hours of discovery of the loss or as near as practical and obtain a crime report number.**

If the **insured vehicle** is stolen and is no longer under your control we will remove it from the Motor Insurance Database (MID) until such time as it is recovered.

**Important: If you are advised that your stolen vehicle has been recovered following its theft and it is roadworthy, it is important that you notify your insurance intermediary immediately and before you drive the vehicle, so that we can reinstate it onto the Motor Insurance Database otherwise you run the risk of being stopped by the police as they may suspect the vehicle is not insured.**

**We** have the right to remove the **insured vehicle** at any time to keep claims costs to a minimum. If the **insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing.

If **we** ask to examine driving licences and vehicle documentation before agreeing to settle a claim under this policy **you** must supply this documentation before **we** can proceed with the settlement.

Any indication of a claim against **you** must be notified to **us** as soon as possible. Any writ, or notification of civil or criminal proceedings should be sent to **us** by recorded delivery immediately.

**We** shall be entitled to take over and conduct the defence or settlement of any claim or prosecute any claim in the name of any person covered by this insurance.

## 5. Claims procedures

No admission of liability, payment or promise of payment shall be made or given by **you** or any person on **your** behalf. No proceedings may be commenced against, or settlement accepted from, any other party without **our** written consent.

**We** shall have discretion in the conduct of any proceedings or in the settlement of any claim.

**You** must give us whatever co-operation, information and assistance **we** require in dealing with any claim under this policy such as evidence in support of a claim.

If there is any other insurance in force which covers the same loss, damage or liability as this insurance, **we** will only pay **our** proportionate share of the claim.

## 6. Cancellation

### Cancelling the policy within the reflection period

This insurance provides **you** with a reflection period to decide whether **you** wish to continue with the full policy. The reflection period is for 14 days from the start date of your policy or date you receive **your** policy documentation.

If a period of less than 14 days has elapsed since **you** received **your** policy documentation, and **you** have not made a total loss claim, you have the right to cancel the policy and receive a refund of premium.

- If at the date of cancellation **your** policy has not yet commenced **you** will receive a full refund from **us**; or
- If **your** policy has already commenced, **we** will refund the premium relating to the remaining **period of insurance** calculated on a proportionate basis dependent on the number of days left to run under the policy less a charge of £25 plus Insurance Premium Tax if applicable to cover **our** administration costs.

## General Conditions (continued)

37

### Cancelling the policy after the reflection period

#### Cancellation by you

**You** or **your Insurance Intermediary** can cancel this policy either from the date **we** are notified, in writing, or a later date as requested by **you**. Providing there have been no claims in the current **period of insurance** **we** will refund the premium relating to the remaining **period of insurance** calculated on a proportionate basis dependent on the number of days left to run under the policy less an administration fee of no more than £50 plus Insurance Premium Tax if applicable to take into account **our** costs in providing **your** policy.

#### Cancellation by us

**We** can cancel this policy at any time if there are serious grounds to do so, including but not limited to the following examples:

- where **your insurance intermediary** has been unable to collect a premium payment (payment terms including the procedures in the event of non-payment of the premium will have been agreed between **you** and **your insurance intermediary** when **you** took out this policy); or
- **you** have failed to take reasonable care in providing information in relation to this insurance as required by General Condition 1 of this policy; or
- **you** have failed to supply requested validation documentation (evidence of No Claim Discount, copy driving licence, etc.); or
- **you** have failed to co-operate or provide information and assistance in relation to any claim under this policy or with regards to the administration or operation of this policy; or
- where **you** fail to maintain the **insured vehicle** in a roadworthy condition or **you** fail to look after it in accordance with General Conditions 2 and 3 of this policy; or
- where **you** use threatening or abusive behaviour towards a member of **our** staff or a member of staff of **your insurance intermediary** or **our** supplier.

**We** will do this by giving **you** 7 days' notice in writing to **your** last address notified to **us**. **Your** last notified address may include an email address nominated by **you** to accept correspondence.

**We** will refund the premium relating to the remaining **period of insurance** calculated on a proportionate basis dependent on the number of days left to run under the policy less an administration fee of no more than £50 plus Insurance Premium Tax if applicable to take into account **our** costs in providing **your** policy. The pro rata refund of premium (less the administration fee) is only available as long as:

- the **insured vehicle** has not been the subject of a total loss claim (i.e. written-off or stolen and not recovered); and/or
- cancellation is not due to any fraudulent act by **you** or anyone acting on **your** behalf.
- Please refer to General Condition 10 with regard to **our** cancellation policy involving fraudulent acts.

**We** also reserve the right to retain all premium paid for the current **period of insurance** in the event that a claim has been made against the policy during this period until such time as **we** recover any monies paid out by **us**.

#### Non-payment of premium

In the event that there has been a loss or incident likely to give rise to a claim during the current **period of insurance** and premium amounts are outstanding **we** may at **our** discretion reduce any claims payment by the amount of outstanding or overdue premiums that **you** owe **us** and/or **your insurance intermediary**.

#### Guidance Notes - Policy Cancellation

Please note that any refund from **us** whether during or after the reflection period may be subject to a further charge levied by your insurance intermediary. Any charges levied by your insurance intermediary will be in accordance with the terms and conditions agreed between **you** and them at the time **you** arranged this insurance.

## 7. Total losses and stolen vehicles

If as a result of a claim the **insured vehicle** is determined to be a total loss or **your** vehicle has been stolen and not recovered, this policy will be cancelled without refund of premium unless **you** change **your** vehicle to another that would normally be acceptable to **us** or the stolen vehicle is recovered and is not a total loss.

In the event of the policy being cancelled due to the **insured vehicle** being a total loss or stolen and not recovered, and there being no replacement vehicle to insure (or if there is a replacement vehicle to insure which is unacceptable to us), all outstanding or overdue premiums, including any administration charge due, must be paid immediately. **We** may at **our** discretion reduce the claims payment by the amount of outstanding or overdue premiums that **you** owe **us** and/or **your** **insurance intermediary**.

## 8. Right of recovery

If under the laws of any country in which this insurance applies, **we** have to make payments which but for those laws would not be covered by this policy, **you** must repay the amounts to us.

**You** or the person who caused the accident must also repay **us** any money **we** have to pay because of any agreement **we** have with the Motor Insurers' Bureau.

Any payment **we** have to make because **we** are required to do so by compulsory insurance law or an agreement with the Motor Insurers' Bureau will prejudice **your** No Claim Discount and will also mean that there will be no entitlement to a return of premium if the policy is cancelled or declared void.

## 9. Sharing arrangement

This policy allows **you** to carry passengers for social or similar purposes and **your** receipt of a mileage allowance or a payment by a passenger towards the cost of fuel will not invalidate cover as long as:

- **you** do not make a profit from the car sharing arrangement; and
- **your insured vehicle** is not adapted to carry more than eight people (including the driver); and
- **you** are not carrying passengers as customers of a passenger-carrying business.

## 10. Fraud

**You** must not act in a fraudulent manner. If **you**, an authorised driver or anyone acting on **your** behalf knowingly commit:

- a) a fraudulent act or submit a fraudulent document or make a fraudulent statement when obtaining this policy or at any other time during the policy period; or
- b) make a claim that is false, fraudulent or deliberately exaggerated, **we** will:
  - i) not pay the claim
  - ii) immediately cancel this policy and all other insurances currently in force with **us** with which **you** and any authorised driver are connected.
  - iii) not issue any refund of premium on this and all other insurances currently in force with **us** with which **you** and any authorised driver are connected.
  - iv) inform the police of the circumstances.

When cancelling this policy **we** reserve the right not to issue any postal notification of cancellation where it is known that the postal address has been used fraudulently.

## 11. Tax and registration

Your **insured vehicle** must be taxed where applicable and registered within the **geographical limits**.

Searches may be carried out prior to your policy commencing and at any point during your insurance policy including any mid-term adjustment and renewal stage. For details relating to information held about you by the DVLA please visit [www.dvla.gov.uk](http://www.dvla.gov.uk).

The DVLA may also be used to search your (or any named third party's) no claims discount (NCD) details against a no claims discount database to obtain information in relation to your NCD entitlement.

It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the Police. You can check that your correct registration details are shown on the MID at [www.askmid.com](http://www.askmid.com)

We may search these databases when you apply for insurance, in the event of any incident or claim, or at time of renewal.

## Credit Searches and Accounting

In assessing an application for insurance or policy renewal, we may search files made available to us by credit reference agencies. They keep a record of that search.

Credit reference agencies share information with other organisations, enabling applications for financial products to be assessed or to assist the tracing of debtors, or to prevent fraud.

Sometimes your information may be transferred outside the European Economic Area by us, by the organisations with whom we share your information or by the servants and agents of these organisations.
