How to use Your Insurance for Your Park Home Policy

Information relevant to your whole Policy

Your policy provides cover for the sections and the period of insurance shown in your statement of insurance. This policy is an agreement between You (the person/persons shown in the statement of fact and/or schedule as the policyholder) and the various parties providing the cover under the individual parts of this policy but is only valid if you pay the premiums.

You must read this policy carefully together with your statement of fact, schedule and any special terms or conditions as one single contract. Please read all documents to make sure the cover provided meets your needs. If this is not the case, please contact us as soon as reasonably practicable on the contact details provided.

Please note that your cover relates only to the Sections which are shown on the schedule as being included. You should keep a record (including copies of letters) of all information supplied to us in connection with this insurance.

What to look out for

The policy is divided into a number of Sections and includes some key words, expressions or phrases that have the same meaning whenever they appear in the policy. These are shown in **Bold** throughout the policy. These are referred to as **Definitions**. Please refer to:

General including Sections 1 & 2 – pages 16/17
Section 3 – page 42
Section 4 – page 53

What is included

Cover is divided into four main sections, **Home and Contents**, **Personal Possessions**, **Homecare Emergency Assistance** and **Park Home Legal Expenses**. Each section tells **You** what **We** will and will not pay for. The **Schedule**, which is enclosed with **Your Policy** makes the document particular to **You**. The **Schedule** shows which sections of the policy apply to **You** and also the amount of cover provided under those sections. **You** will not be covered under any section that has not been requested and paid for by **You**.

Details of how **Your** data is used for Sections 1 & 2 are shown overleaf. Details for Sections 3 & 4 are included in those parts of **Your Policy** where applicable.

It may also be processed by staff operating outside of the EEA who work for **Us** or for one of **Our** suppliers. Such staff may be engaged in, amongst other things, the provision of information **You** have requested.

If **We** provide information to a third party **We** will require it and any of its agents and/or suppliers to take all steps reasonably necessary to ensure that **Your** data is treated securely and in accordance with this Fair Processing Notice.

We may of course be obliged by law to pass on **Your** information to the police or other law enforcement body, or statutory or regulatory authority including but not limited to the Employer's Liability Tracing Office (ELTO) and the Motor Insurance Bureau (MIB).

In certain cases, **We** will keep **Your** information for longer, particularly where a product includes liability insurances or types of insurance for which a claim could potentially be made by **You** or a third party at a future date, even after **Your** contract with **Us** has ended.

What will happen next?

If **You** suffer an **Emergency** at **Your Home**, **You** should tell **Us** on the **Emergency** telephone number. **We** will then:

- Advise **You** how to protect **Yourself** and **Your Home** immediately;
- Validate **Your** policy and assess **Your** claim and make sure it is covered under the policy then arrange for one of **Our Authorised Contractors** to get in touch with **You** to make an appointment or to settle **Your** claim on a **Reimbursement Basis**;
- **We**, along with **Our Authorised Contractors** under **Our** delegated authority, will then manage **Your** claim from that point onwards and keep **You** updated throughout **Your** claim journey;
- **We** will organise and pay up to £500 per claim including VAT, call out, labour, parts and materials to carry out an **Emergency** repair;
- In the event of **Your Home** becoming uninhabitable and remaining so because of a covered event, **We** will contribute up to £200 inc VAT towards the cost of **Your** (including **Your** pets) accommodation including transport, on a **Reimbursement Basis**;
- **We** would always recommend that **You** arrange for a permanent repair to be completed by a qualified tradesperson as soon as possible, once **We** have carried out an **Emergency** repair and contained the **Emergency** for **You**, as this may only provide a temporary solution to the problem.

Claims under this policy can only be made:

- By **You**, **Your** immediate family, lodger or anyone **You** authorise to call on **Your** behalf.

If the **Emergency** repair costs more than £500 **We** will require **You** to contribute the difference or subject to **Our** prior agreement and on receipt of **Your** engineer's fully itemised and paid invoice, **We** would pay **You** up to £500 inc VAT as a contribution to a repair which **You** will arrange **Yourself**, taking account of costs already reasonably incurred by **Our Authorised Contractor**, for the initial visit.

This will be in full and final settlement of **Your** claim.

When **We** make a repair **We** will leave **Your Home** safe and habitable but **We** will not be responsible for reinstating it to its original condition, although **You** may find that this is covered under **Your Home** insurance.

In some circumstances **We** may find it difficult to deploy an **Authorised Contractor** to attend **Your Home** or deal with **Your Emergency** within a reasonable timescale. Examples of such circumstances include:

- Excessive demand;
- Bad weather;
- Industrial action;
- Parts availability;
- Availability of a specialist.

In these circumstances, **You** may, with **Our** prior agreement, arrange for **Your** own contractor to resolve **Your Emergency** and **We** will refund the cost of **Your** contractor up to £500 inc. VAT.

Please provide a fully itemised invoice or receipt from **Your** own contractor to support **Your** claim for reimbursement. If a new boiler or heating system is installed, **You** will also need to provide the make, model, serial number and Gas Council number.

We will only reimburse the cost of the **Emergency** repair applicable under the policy.

Other insurance

If **You** make a claim for any liability, loss or damage that is also covered by any other insurance policy, **We** will only pay **Our** share of the claim.

Getting Our claims costs back

If **We** think someone else is at fault for a claim that **We** pay, **We** may follow up that claim in the name of anyone claiming cover under this policy to get back the payments that **We** make.

Anyone making a claim under this policy must give **Us** any help and information that **We** need.

Parts Availability

Availability of parts is an important factor in providing **Emergency Repairs**. If **Our** engineer does not carry the spare parts needed on the day of **Your** appointment, **We** will do all **We** reasonably can to find and install parts from **Our** approved suppliers. **We** may use new parts or parts that have been reconditioned by the manufacturer or approved third parties.

We may not replace parts on a like for like basis but will provide an alternative suitable solution for containing the **Emergency**. However, there may be times when replacement parts are delayed because of circumstances beyond **Our** control. In these cases, **We** will not be able to avoid any delays in repair; **We** will keep **You** informed throughout **Your** claim.

There may also be occasions where parts are no longer available. In these situations **We** will ensure **Your Home** is safe and if required, **We** will arrange for **You** to receive a quotation for a suitable replacement item at **Your** cost.

- treat this Policy as if it had never existed and refuse to pay all **Claims** and return the premium paid. **We** will only do this if **We** provided **You** with insurance cover which **We** would not otherwise have offered;
- amend the terms of this **Policy**. **We** may apply these amended terms as if they were already in place if a **Claim** has been adversely impacted by **Your** carelessness;
